Why Choose Us?

- **Quality Craftsmanship:** We take pride in our attention to detail and commitment to excellence.
- **Customer Satisfaction:** Our clients' happiness is our top priority, and we strive to exceed their expectations.
- **Transparency:** We maintain open communication throughout the project, keeping you informed every step of the way.
- **Experience:** With a proven track record of successful projects, we have the expertise to handle any construction challenge.

Our Services

CUSTOM HOME BUILDING

From concept to completion, we work closely with our clients to design and build their dream homes.

HOME RENOVATIONS

Whether it's a kitchen remodel, bathroom upgrade, or a complete home makeover, we transform existing spaces into beautiful, functional areas.

PROJECT MANAGEMENT

We oversee every aspect of the construction process, ensuring projects are completed on time and within budget.

OPTIONAL SERVICES

We install other optional services like solar power, security systems, home furnishing, sewer, etc

The Process

1

CONSULTATION

We begin with an in-depth consultation to understand your vision, needs, and budget.

2

DESIGN

Our design team creates detailed plans and 3D renderings to bring your ideas to life.

3

CONSTRUCTION

Our experienced builders and project managers ensure the construction process runs smoothly and efficiently.

4

COMPLETION

We conduct a final walkthrough to ensure every detail meets your expectations.

Milestones

MD Konstruktion was registered on 24th May, 2021 in accordance with the provisions of the Business Registration Act (No. 12 of 2012) and was entered under the number MBRS1164887 in the Malawi Business Registration Database.

In 2021, MDK completed building a 4-unit (2br each), 2-level, Acacia Stay (AS) apartment building, furnished, which enabled the owners to open doors for business. AS is located in Airwing, Lilongwe City, and can be viewed at www.acaciastay.com

In 2024, MDK completed building a 4-bedroom house for a client in a record 60 days in Nkhota-Kota, fully tiled and equipped with solar power. This particular project stands out among many because it was the first project outside Lilongwe, from start to finish.
